**Re: Request for clarification and narrowing of open records request submitted to KIPP Texas Public Schools**

Dear Mr. Hopper:

I represent KIPP Texas Public Schools (KIPP), and I am writing in connection with the open records request you submitted to KIPP on Sunday, February 10, 2026. As previously communicated, KIPP received notice on February 26, 2026, that your public information request you submitted had been inadvertently routed to a spam folder and was not discovered until that date.

In reviewing the information available to us regarding your request, we have determined that we do not have a complete copy of your original request email. In order to ensure that we fully understand and accurately respond to each request as you submitted it, we ask that you please resend your original request to [KTX.OpenRecords@kipptexas.org](mailto:KTX.OpenRecords@kipptexas.org) at your earliest convenience.

Once we have received your complete original request, we will follow up as needed regarding next steps, including any clarifications or cost estimates that may be required.

Sincerely,
