Dear MESQUITE ISD,

MESQUITE ISD's 2025 New System Application for the Teacher Incentive Allotment has been accepted for the eligible teaching assignments listed on the Weighting tab. Congratulations on meeting this crucial milestone as your district takes important steps to recognize and reward teachers for their outstanding performance in the classroom!

MESQUITE ISD's scoresheet and next steps can be [found in the TIA Online Portal](#) under the Application Scoring tab and Welcome tab respectively. Districts are responsible for understanding their next steps and any non-statutory areas that did not receive *Full Readiness*. The Texas Education Agency (TEA) recommends addressing any areas that were not given *Full Readiness* to strengthen local designation systems and align with best practices. Resubmission is not required for these areas.

TEA will soon announce a series of training webinars for the 2025-26 school year to support districts implementing local designation systems. Please reach out to tia@tea.texas.gov with questions or [reach out to your regional education service center for support](#).

Sincerely,
The TIA Team
