Dear Ms. Gallegos,

Thank you for your prompt response regarding PIR #2502769. I am happy to provide the requested clarifications.

Clarification Question 1 (time frame): I am interested in charter amendment applications and TEA decisions related to campus expansion or new campus openings in Travis County, Williamson County, and Hays County from 2015 to present.

Clarification Question 2 (closed campuses): Yes, please include amendment applications and decisions for campuses that have since closed or been recommended for closure. The lifecycle of campus openings and closures is relevant to my research.

Thank you,
